

Community Action Grant 2026 - Funding Guidelines

Official Document - Page 1

SECTION 1: OVERVIEW AND ELIGIBILITY

The Municipal Community Trust invites funding proposals for grassroots social initiatives. To be eligible for funding consideration under the 2026 cycle:

1. Mandatory Requirement 1: Applicants must be legally registered non-profit organizations in good standing with state and federal authorities.
2. Mandatory Requirement 2: The applicant organization must possess at least two (2) years of continuous documented operational history in community services.

SECTION 2: PROJECT SCOPE AND OBJECTIVES

3. Mandatory Requirement 3: The proposed project must deliver direct, measurable benefits to local municipal community residents.
4. Mandatory Requirement 4: The proposal must describe concrete project objectives and a milestone implementation timeline covering the entire grant term.

SECTION 4: RECOMMENDED MATERIALS

8. Recommendation: Applicants are encouraged to provide prior project outcome reports and past achievement summaries to demonstrate organizational track record.
9. Recommendation: Letters of community support from local neighborhood associations or partner agencies are strongly recommended.
10. Recommendation: It is suggested that applicants include a plan for ongoing funding and operational sustainability after the grant period concludes.
