Subject: Institutional Partnership & Facility Collaboration — Community Learning Hubs Project

Dear Ms. Rostova and the Grant Evaluation Committee,

On behalf of Riverdale Community School, I am writing to express our enthusiastic institutional commitment to collaborating with BrightPath Community Initiative on the proposed **Community Learning Hubs** project, submitted under the Northstar Community Foundation's Community Impact Grant 2026 program.

Riverdale Community School serves approximately 520 students in grades K through 8. Over 68% of our student body qualifies for subsidized lunch programs, and many of our families face significant hurdles in accessing structured after-school academic support and digital learning tools. Having observed BrightPath's dedicated grassroots engagement during their 2025 pilot activities, we are confident that establishing a permanent Learning Hub will provide critical continuity for our students.

Subject to grant award confirmation and execution of our standard facility use memorandum, Riverdale Community School intends to support this collaboration through the following institutional commitments:

- **Dedicated Community Facility Access:** Providing BrightPath with regular access to our ground-floor Multi-Purpose Room and Media Center from 3:15 PM to 6:30 PM, Monday through Thursday during the 2027 academic school year.
- **Secure Asset Storage:** Granting secure lockable space for BrightPath's mobile laptop charging carts and educational supply kits.
- **Teacher & School Liaison Support:** Designating our Vice Principal of Student Services to serve as school liaison to facilitate parent outreach and coordinate alignment with curriculum benchmarks.
- **Family Communications:** Distributing project enrollment flyers and digital workshop notifications directly to school families via our weekly school newsletter and digital portal.

We wholeheartedly endorse BrightPath Community Initiative's grant application and look forward to partnering closely to deliver these much-needed educational opportunities to our students and families.

Sincerely,

Dr. Arthur Pendelton

Dr. Arthur Pendelton

Principal, Riverdale Community School
